Tell Us Your Story

The Stillman College Office of Alumni Affairs is collaborating with trusted partner PCI, the company that already produces our alumni directory on a new project. The goal of the Stillman Oral History Project is to collect the stories of alumni like you in your own words and preserve them in a book that celebrates the impact Stillman has had on your lives and who you are today. Every year that we don’t capture and preserve these stories feels like another opportunity lost, so we’re excited to get started today!

PCI Partnership

For this project, Stillman is partnering with PCI, which gives us access to their trained staff who are looking forward to hearing your stories of your time at Stillman. PCI will also assemble and create a book filled with your stories. Please note that we have only shared your contact information with PCI in conjunction with this project. We have NOT sold your contact information, or otherwise used it for outside marketing purposes.

What Stillman story will you tell?

- Did a special faculty or staff member have a profound impact on your life?
- Did you meet your sweetheart at Stillman?
- Can you trace your career path back to a defining moment at our alma mater?
- Have connections you made on campus turned into lifelong friendships?
- Were you at Stillman during a historical moment?
Have You Moved?

As part of this project, we are also taking this opportunity to help make it easier for you to stay connected to Stillman. PCI will help us to collect updated contact information from those of you who may have moved and inadvertently lost touch with your alma mater.

Do I have to buy something?

No. This project is being done at NO COST to Stillman College. The project is completely funded by the alumni who CHOOSE to purchase the book that will be produced at the end of the project. The book, which will be available in hardbound and digital formats, is offered at $149.98 (plus tax and shipping). PCI will also offer you the option to purchase other Stillman College branded merchandise such as a t-shirt, sweatshirt and/or a travel bag. You are welcome to purchase these items, but you are not required to do so to (a) participate in the project or (b) order the oral history book. Again, we’d never be able to embark on a project like this without the support of our amazing alumni and the partnership with PCI. We sincerely thank every person that participates and chooses to purchase the book.

What’s next?

Soon you will be receiving (or may have already received) email and postcard communications from the PCI team with instructions on how to participate. We’d like to invite you to share one of your stories with us, and take part in this first of its kind project to honor the experiences and voices of our alumni.

We look forward to hearing from each and every one about how Stillman College changed your life.

What to Look For

Below is an example of a postcard you will receive in the mail. This is an official postcard from Stillman College, distributed by our partner PCI. Once you receive the postcard, please follow the instructions to update your information and set up an interview time to share your Stillman Memories.
Stillman College recently launched a comprehensive alumni data verification project. We are requesting all alumni of Stillman College to contact us for this important project.

We’ve assembled the information currently listed in our alumni files and now need your help to confirm the accuracy of your data and fill in any information gaps. During these uncertain times, it’s more crucial than ever that we find ways to stay connected.

Up-to-date alumni information is critical for developing career placement guides to benefit students and alumni as well as determining our ranking in national evaluations.

Please call 1-800-000-0000 (toll-free) to take care of this important matter today.

We are also collecting stories from our alumni to memorialize the history of the campus experience through the years. Please call to verify your data and share your story today.

You will always be a Tiger!

Sincerely,

Jean A. Wilson-Sykes ’90
Director of Alumni Affairs
