|---|--------------------------------|---|
| Policy Name: Temporary Waiver of High School Transcript Requirement for Admissions Policy |                                | Approved by President   |
| College Division:<br>Enrollment Management  | Date Established:<br>6/11/2020 |  |
| Date Revised:   | Date Removed:                  |   |

### **Policy Statement:**

Stillman College requires that first-time freshmen applicants provide an official high school transcript for admission; however, due to the disruption caused by COVID-19, Stillman is temporarily waiving the requirement for applicants to submit a high school transcript. This waiver of the requirement for a high school transcript will be reevaluated at the end of one year.

### **Procedures for Implementation:**

Applicants will be asked to request an official transcript from their high school, but some schools may not be equipped to handle the backlog of requests caused by the disruption of normal processes due to COVID-19. Therefore, the Admissions and Financial Aid Offices at Stillman will have the flexibility to admit students and process federal financial aid without the high school transcript during the upcoming academic year.

### **Publication of Policy and Procedure:**

The Temporary Waiver of High School Transcript Requirement for Admissions Policy is published within the College Catalog and on the Admissions' page of the Stillman College's website.
