**“First-Time Freshman Profile” focuses only on IPEDS’s “first-time, degree-seeking students (FR)” who have not had any previous college credits and/or experiences. This profile is comprised of “pure” first-time freshmen. The college tracks first-time freshmen as well as new students. The “new students” group is comprised of all students new to the college starting summer 2025 and fall 2025: new dual enrolled students, new transfer students, new non-degree-seeking students, and first-time freshmen.*

***Sport Management is a new degree program launched after the start of the fall semester and is housed in the School of Education managed by the Department of Kinesiology.*
